

## A choice of quality-assured accommodation

### Caravan Holiday Homes

All our holiday homes are double glazed with full central heating and are a spacious 12 feet wide. They have 2-3 bedrooms sleeping up to 4-6, are fully equipped with a veranda and outdoor furniture. Please remember to bring your bed linen, towels and tea towels.

### New Pods

Why not try our new pods which arrived in 2016. Their rounded roof detail provides more interior space to enjoy. Bring all your camping essentials but leave your tent at home. Our pods have a fridge, microwave, kettle, heating, lighting, double and single beds sleeping up to 4. Outside decking, picnic furniture and adjacent parking is provided.

### Apods

Our Apods are now pet-friendly so your best friend can have a holiday too! Remember to bring all your camping essentials. Our Apods have a fridge, microwave, kettle, heating, lighting, double and single beds sleeping up to 4. Outside decking, picnic furniture and adjacent parking is provided.

### Touring Visitors

For families who want to bring their own caravan, electric and non-electric pitches are available.

For those who wish to embrace the outdoors by bringing their tent Sandyhills Bay also offers electric and non-electric pitches. The park has heated toilet, showering and laundry facilities available.
